

Worldwide Marriage Encounter

Looking for that perfect weekend for you and your spouse to grow closer together... away from the pressures of everyday responsibilities ... in a spiritual setting?

A Worldwide Marriage Encounter Weekend could be THE weekend to reconnect and revitalize your marriage. It is an experience guided by couples and a priest who

help you discover your dreams, rekindle your romance and become more aware of God's desire for your marriage. Away from the distractions of everyday life, each couple has time to focus on each other, and learn new ways of communicating more effectively in a private, positive atmosphere. All marriages need effort and nurturing! WWME provides an opportunity for you and your spouse to explore your relationship together and find ways to make it stronger and more fulfilling for a lifetime – blessings that spill over to your family, friends, and parish community.
